Corporate Power Ltd t/a Energycentric terms and conditions - Our commitment to you

As utility consultants, we are able to negotiate favourable tariffs for our clients. Our remuneration is based on an amount included in the customer utility price per kWh applied to the consumption used. This amount is paid to us directly by the suppliers and we do not charge our clients any upfront fees for procurement or any fees as a result of any savings made going forward. We will always present the best prices we find available in the marketplace

Your commitment to us

By submitting your information to Corporate Power Ltd t/a Energycentric, you are agreeing to us acting as your agent for energy negotiations. Any prices negotiated on your behalf are exclusive to you (the Client) and us (Corporate Power Ltd t/a Energycentric) and we politely request therefore that once you accept any prices negotiated on your behalf, you allow us to conclude the contract.
